1. The following is an examiner's statement of reasons for allowance: The claims have been allowed because claim 1 recites a medical dispenser having two medical holders to support medical item holders. There is a reference surface with three rows of human readable indicia. Each indicia row corresponds to a different sized medical item holder. First indicia row and a second indicia row indicated the quantity of medical items in the first and the second sized holders. Claim 33 also recites the matter of claim 1 along with an enclosure wherein the reference surface is movably mounted with the enclosure. Claim 32 recites the matter of claim 1 in addition to having the holder comprise of helixes. Also, the indicia in a first indicia row corresponds to turns of the first helix and indicia in a second indicia row corresponds to turns on the second helix. Claim 38 also recites the matter of claim 1 in addition to a holder guide and wherein the holder guide secures the helix in position. The holder guide includes a first portion that extends in a longitudinal direction through a plurality of turns of a helix. Claim 44 recites a method of providing a medical item dispenser also having the elements of claim 1 along with a reference surface having three rows of human readable indicia.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
